WOOFPAPER

THE DIAMOND IN THE

Have you been struggling to find a diamond in the BSC rough? Well, you've found one! Our experienced team is striving to make Diamond Shiba the forever token.

Cast aside all Silver Shibas, Gold Shibas, and even Platinum Shibas. This is Diamond Shiba, the most valuable and prized possession in every crypto wallet.

What is Diamond Shiba?

- DiamondShiba (DS\$) is a decentralized cryptocurrency token operating on the Binance Smart Chain that can be traded through Pancakeswap.
- Slippage in PancakeSwap should be set to 13% for all buys and sells.
- We are the only Shiba token you can use to propose to that girlfriend of yours!
- We are committed to providing security and trust to those who use the currency.
- We have an ambitious roadmap full of NFTs, Play-to-earn Videogames, and FUN!
